ABOUT US

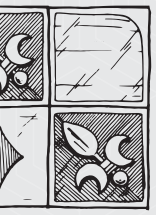

Vietnam Stone and Tile Building Materials Production Joint Stock Company (in short: **VST Materials JSC.,**)
VST Materials JSC., is **S**incere and **T**rustworthy Partner in Vietnam which had been established by our 2nd Generation to concentrate on producing & exporting building materials originated from Vietnam in which, the 1st Generation had been more focused on producing Encaustic Handmade Cement Tiles since 1970s till now.

VST Materials JSC., is now **One of The Biggest Manufacturers of Encaustic Handmade Cement Tiles in Vietnam running 2 factories with total capacity of 22 containers per month.** Counted from our Parent time till now, **VST** family has been exporting its Encaustic Handmade Cement Tiles and Natural Stone products to over 39 Countries in All Continents mainly to Australia, EUROPE and The NORTH AMERICA.

Besides this traditional production of Encaustic Handmade Cement Tiles, our 2nd Generation (now to be known that **VST Materials JSC.,**) has been extending family business to other Vietnam-originated building materials like natural stone and other value-added products made from those friendly environmental materials such as mosaics and cultured stones or pebbles... by being joint venture with quarry owners as family investment network. As result, we are now also running 2 factories of natural blue limestone and basalt besides current 2 factories of encaustic handmade cement tiles.

To guarantee consistent and uniform quality from batch to batch, the whole production process from raw materials to final products must be checked by Professional QC teams with every single piece prior to packing and loading.

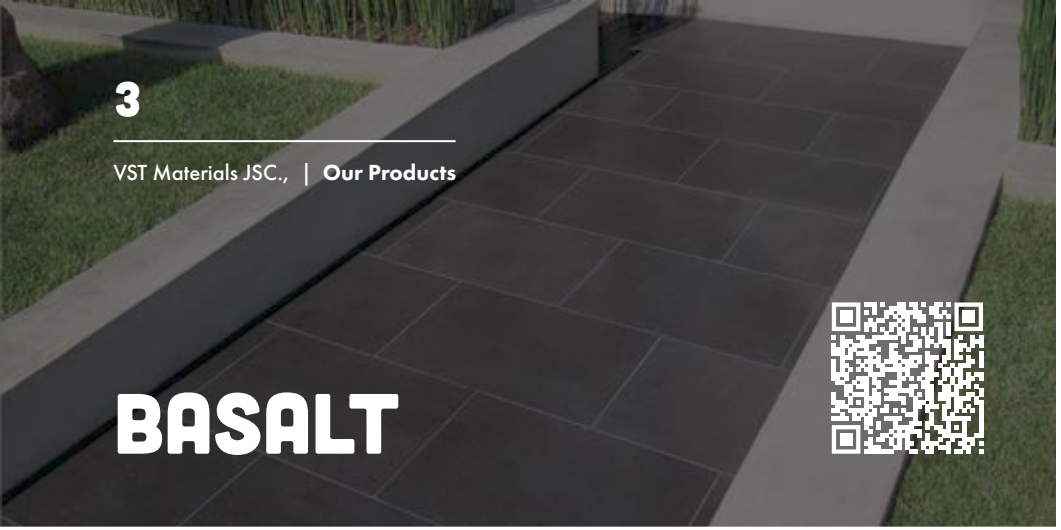

We always keep in mind that we will not be able to avoid of deficiency. We, however, do believe that thanks to significant support and cooperation from all Valued Partners, we will be together to find out solutions for all shortcomings.

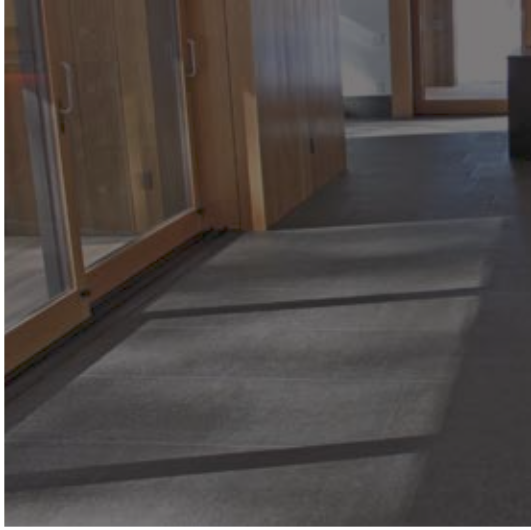

We commit to taking responsibility for our mistakes regarding quality issues.

Thank **YOU** all so much for being with our **VST** family in this business.

Our Motto is:

NOT FOCUS ON QUANTITY BUT ON QUALITY.
